Asks Full \$3.9 Billion

Foreign Aid Cut Will Help Reds, Ike Says

WASHINGTON (AP)—President Eisenhower asked Congress today for \$3,930,000,000 in foreign aid. He said the spending is essential to survival in the face of a "growing Communist potential to launch a war of nuclear destruction."

In a special message Eisenhower cautioned against reckless cuts, lest the United States become "the richest nation in the graveyard of history."

The President said the full amount is urgently needed to thwart "a fanatic conspiracy of international communism" which maintains 6½ million men under arms in about 400 divisions around the world. Singling out the Soviet drive to force the West out of Berlin, Eisenhower said: "In Europe today the Soviet Union has made demands regarding the future of Berlin which, if unmodified, could have perilous consequences."

Bolstered by U.S. Aid

"The resoluteness with which we and our allies will meet this issue has come about in large measure because our past programs of economic and military assistance to our NATO allies have aided them," he said, "to stand firm in the face of threats."

Speaking of the worldwide Red threat against free nations, Eisenhower told the legislators: "Two fundamental purposes of our collective defense effort are to prevent general war and to deter Communist local aggression."

"We know the enormous and growing Communist potential to launch a war of nuclear destruction and their willingness to use this power as a threat to the free world."

Could Swallow Others

"We know also that even local aggressions, unless checked, could absorb nations after nations into the Communist orbit—or could flame into world war."

"The protection of the free world against the threat or the reality of Soviet nuclear aggression or local attack rests on the common defense effort established under our collective security agreements."

The sum requested is about 12 million dollars less than sought last year. It would continue massive military-economic assistance to some 70 friendly nations into a 13th consecutive postwar year.

Eisenhower's aid requests have been cut sharply in past years. Democrats, urging more spending than the administration plans on

some domestic programs and the nation's own defenses, have been eyeing the foreign aid fund as a place to offset some of the increases.

Nearly 62 per cent of the new funds Eisenhower asked would go for military programs—military equipment and munitions including missiles and "defense support" as aid to nations which maintain big military forces of their own.

Aid Needed for West Berlin
The remainder would go for development help, technical assistance and low interest loans, especially in Asia and the Middle East.

Eisenhower said special aid from one of these funds is needed for West Berlin which he described as "a solitary outpost of freedom back of the Iron Curtain."

"In addition to the firm support which we and our NATO allies have assured West Berlin in the face of current Soviet threat," he said, "it is important that we show our support of its people by continuing our economic assistance to that beleaguered city."

Takes Note of Arguments

Eisenhower took note of the congressional arguments for shifting funds from foreign aid into other operations.

"When I hear this program described as a 'give-away' or as 'aid to foreigners at the expense of domestic program,' I wonder what sort of America we would have today—whether any funds would be available for any domestic programs, whether all of our substance would not today be devoted

Cites Danger of Decay

Mrs. Burton Proposes Master Plan for Marion

"Marion is drifting toward decay due to lack of intelligent and comprehensive planning," declared Mrs. Georgia Cooper Burton, candidate for the Republican mayoralty nomination, in a statement issued today.

"The critical problems we face with regard to sewers, recreation, parking, traffic congestion, utility rates, hospital facilities, annexation, finances, law enforcement, fire protection facilities and lack of new industry can be directly traced to the shortsighted policies of civic officials," Mrs. Burton said.

"WHILE OTHER cities are planning how to handle jet plane traffic, Marion is still trying to catch up with the automobile. Instead of initiating action on a carefully engineered street and traffic program, we patch holes, establish 'firelanes,' put in meters, take out meters, paint lines all over the streets, put up barrels, take down barrels, paint more lines and install arrows pointing every direction but up."

"Not only is this amateurish experimentation confusing and ineffective, it is a wasteful use of precious public funds," she declared.

"Our failure to establish comprehensive metropolitan zoning has resulted in blighted residential areas, slums, junk yards at the entrances to our city and reduced property values."

"MARION desperately needs a detailed master plan to solve current problems and provide for future growth. Such a plan should be developed by experienced consultants in cooperation with a well organized area planning commission. A master plan would serve as a guide for intelligent action by the administration and council," the mayoralty candidate continued.

"The benefits of comprehensive long-range planning are dramatically clear. A practical plan will provide adequate facilities and

services for public needs at the minimum possible cost. Property values will be stabilized. Industry and business will be able to locate or expand along clearly defined lines. Residential areas will be protected from intrusion and blight due to spot zoning," Mrs. Burton said.

"A city dies by degrees, and this is exactly what is happening to Marion. The only way to reverse the present trend is to initiate practical long-range civic planning now."

"The next two years may be the most crucial in our history. The officials serving the community during this time should commit themselves publicly to carry out a sensible and well-organized plan to solve our problems."

Mrs. Burton called for the following steps to be taken:

Chance of More Snow Is Forecast

With the temperature rising to a high of 35 Thursday, a good deal of Wednesday night's 4-inch snowfall went gurgling down the city's sewers and into the county's drain tiles.

But considerable snow still was on hand this morning, as an overnight low of 16 put an end to the thawing. It was, incidentally, the coldest night since Feb. 20, when an overnight low of 10 was recorded.

At noon today, however, the temperature had climbed back to 32, with a high of 42 forecast. The weatherman predicted this morning that there was a chance of more snow tonight.

A low of 29 is anticipated tonight, with clouds and colder conditions Saturday preventing the thermometer from reading any higher than 37.

At noon today, a bright sun prevailed and scarcely a cloud was to be seen.

Holiday Air Prevails With Gala Festivities In Honolulu, Waikiki

(Another Photo on Page 10.)

HONOLULU (AP)—Happy Hawaiians cranked up a second round of celebrations today for their newly acquired statehood.

Disregarding Friday the 13th, they planned a five-hour show at Honolulu Stadium featuring Hollywood entertainers and 200 grass-skirted hula dancers.

It was a holiday again throughout the islands, just as it was Thursday when Congress voted long-awaited statehood for the territory.

Thanksgiving Services

The day's program also called for a religious thanksgiving service in Honolulu and a big concert by the Royal Hawaiian Band, joined by the bands of the Army, Navy, Air Force and Marines.

Also on the program was a 50-gun salute to the 50th state fired by artillerymen from howitzers on Iolani Palace grounds.

Thursday's celebration began noisily within minutes after the House completed passage of the statehood bill.

It exploded in a discordant din of sirens, church bells, ship's whistles and motorists' horns.

At night there were street dancing, bonfires and fireworks.

Military planes dropped flares at sea off Waikiki Beach, the island's best known resort spot.

At Waikiki, throngs jammed the streets to see dancing by Tahitian, Samoan and Hawaiian maidens.

Light showers failed to dampen the festivities. Native Hawaiians, who regard rain as a blessing of the gods, took it as a good omen for the newest state.

Servicemen at liberty joined the thousands crowding the Waikiki area. One serviceman carried a cardboard sign from his neck reading "Maryland welcomes Hawaii" and another had a sign which read "Iowa votes yes."

The largest bonfire was a towering blaze on an island adjoining Honolulu harbor. Logs from many states and foreign countries had been collected for the blaze.

Morrow Auto Accident Fatal To Woman, 46

MOUNT GILEAD — Mrs. Dorothy Marie Forrider, 46, of near Centerburg died Thursday morning of injuries received in a traffic accident last Saturday morning.

The woman was fatally injured when the car in which she was a passenger crashed into a collapsed bridge on County Road 199 about 7:30 a.m. The accident took place 5½ miles southeast of Sparta.

Driver of the car was James T. Fletcher, 47, of near Centerburg. Sheriff's deputies who investigated the mishap said the bridge had collapsed the night before and had not been marked before the accident took place.

Mrs. Forrider was taken to the Morrow County Hospital after the mishap and died there. She was the fifth traffic fatality of the year.

She was born on April 8, 1912, to Mr. and Mrs. Amza Walter Ginn.

Surviving are two sons and two daughters, Louis Arnett of Galena, Charles Forrider at home, Mrs. Ruth Lane of Dresden and Mrs. Mamie Bolton of Leonardsburg. There are nine grandchildren, one sister, Mrs. Robert Piper of Johnstown, and two brothers, Walter Ginn of Johnstown and Theodore Ginn of Edison.

Funeral services will be held at 11 a.m. Saturday at the Craven Funeral Home in Mount Gilead. Burial will be in the Condit Cemetery.

Allied Chiefs Press Policy Talk at Bonn

No 'Disengagement' Planned, Macmillan Assures Chancellor

BONN, Germany (AP)—British Prime Minister Harold Macmillan and Chancellor Konrad Adenauer have reached full agreement on Berlin, the German question and European security, a German government spokesman said today.

The statement came after Macmillan and Adenauer wound up their talks at a morning session of more than two hours. Only an interpreter was present.

Due in U. S. Next Week

Macmillan arrived Thursday from talks with French President Charles de Gaulle in Paris. He goes to the United States next week for conferences with President Eisenhower.

Apparently the French and West German governments overruled any ideas the British may have had to ease the Berlin crisis by proposing a wholesale withdrawal of troops from central Europe.

Macmillan obviously sought to quiet West German fears that his recent mission to Moscow had raised the prospect of "disengagement" as an Allied policy.

Agree on Procedures

Bonn press chief Felix von Eckardt told a news conference that the two heads of government were agreed on the procedures in the coming weeks.

"No differences exist," he said. British Foreign Office spokesman Peter Hope concurred.

The agreement followed a period of considerable German coolness and misgiving over Macmillan's visit to Moscow.

Sunday Editions Slated

Pressmen Settle Strike At 3 Columbus Papers

COLUMBUS, Ohio (AP)—The roar of the presses—music to the ear in a city that has been without its regular newspapers for two weeks—will be heard here once again.

The presses are expected to start rolling tomorrow night, and the Columbus Dispatch and Citizen will make their first appearance since a strike crippled publication 15 days ago.

The Ohio State Journal, which does not have a Sunday edition, will publish Monday morning.

The strike by about 70 pressmen ended Thursday night with

ratification of a new contract. The settlement was reached Thursday by the publishers and Columbus Web Pressmen's Union, Local 15. The local's president said the vote to ratify the agreement was 40-26.

Negotiations broke off Feb. 25 after 11 weeks of unsuccessful bargaining. Pressmen struck the following night. Negotiations resumed March 5.

Federal mediators said the new 26-month contract, which replaces one that expired Dec. 31, provides the same wage package the publishers offered at the outset.

Pressmen will receive a general increase, retroactive to Jan. 1, of \$4 per week for the first year of the contract; an additional \$2 weekly starting Jan. 1, and another \$2, starting July 1, 1960.

Under the old agreement, pressmen made \$118.18 a week for a 37½-hour day shift, and \$123.18 for a 35-hour night shift.

In the new contract, they also will receive 22 cents for each straight-time shift worked, which will go toward insurance premiums. It figures to \$1.10 a man for a five-day week.

The major stumbling block toward agreement was the union's demand for time-and-a-half pay after five hours of work Saturday night. The publishers were suc-

Admission to Union To Be Completed In 4 to 6 Months

WASHINGTON (AP)—The Hawaiian Islands will become the nation's 50th state within the year.

Congress answered the territory's half-century of pleading for statehood Thursday with a resounding 323-89 vote in the House. The Senate assented a day earlier with a 76-15 vote.

President Eisenhower gets the bill today. His approval is certain. Presidential secretary James C. Hagerty said the President is delighted.

In four to six months Hawaii could be a full partner in the union. It will take that long to set up elections for the nearly 600,000 people to choose their first state officers, their two U.S. senators and one representative in the House. Hawaii will qualify for a second House seat after the 1960 census.

Favors Going Slow

There is a maximum time schedule set out in the state constitution which the people of Hawaii, tired of waiting, adopted in 1950. The maximum is 160 days between the date the President signs the bill and the date of the general election. The actual time could be less.

Gov. William F. Quinn, 12th and last presidentially appointed governor of Hawaii, said he is inclined

to favor a schedule on the slow side. He said he thought that would be preferred by political leaders of both parties to get good candidates in the field. Quinn is a Republican and a candidate for governor. It is up to him to set the election dates.

John A. Burns, Hawaii's Democratic delegate to Congress, said he favored the shortest possible preliminaries to the ultimate proclamation of the President formally admitting the islands to statehood.

"Hawaiians are tired of living under the shackles of the appointive governor system," he said.

Plans Not Disclosed

Burns, undoubtedly a candidate for something, has not said which office he will seek.

Hawaiians will have other things to vote on, besides officers.

They must decide:
1. Whether they want statehood. (they voted for it 2-1 in a plebiscite 19 years ago, but they must vote again.)

2. Whether to accept the boundaries defined by Congress. This excludes Palmyra Island, a tiny, privately owned, coral atoll 960 miles south of Honolulu.)

3. Whether to accept the federal land grants and reservations specified in the statehood bill.

5 Children, 2 Adults Perish In Maine Fire

EASTON, Maine (AP)—Seven persons, including five children, perished today in a fire that destroyed their five-room cottage in snow-bound Easton, about 10 miles from the Canadian border.

The victims were John Hersey, 41, five of his six children, and Carl Lundy, 50, an overnight guest. The children were John, 12, Victoria, 8, James, 7, Elizabeth, 5 and Cindy, 4.

Hersey's wife, Christina, 46, and the only surviving child, Deanna, 13, escaped from the blazing 1½-story wooden dwelling by crashing through a first floor window.

Both suffered from burns, cuts on the face, chest and arms and from shock.

Snow drifts four feet deep on the highways prevented help from reaching the scene in time.

An ambulance sent from Presque Isle, seven miles away, was able to maneuver only two miles in two hours before it bogged down.

Fire trucks sent from Mars Hill, eight miles away, could not get through at all. Only one heavy fire truck made it from Presque Isle.

Ironically, Hersey, a former professional boxer, was a firefighter at Loring Air Force Base, Limestone, Maine, 20 miles from his home.

Lundy was a laborer in Presque Isle.

Crawford Grand Jurors Will Have Busy Session

BUCYRUS — Approximately 25 State Reformatory at Mansfield, cases will be considered by the Crawford County Grand Jury when it meets here Monday, Prosecutor John D. Sears Jr., announced today.

The jury session is scheduled for four days although there is a possibility jurors will conclude their work in shorter time, the prosecutor said.

AMONG THE CASES to be brought before the jury is that of Mrs. Genevieve Barker, 23, of Crestline, who is charged with conveying articles into a prison to aid a prisoner to escape. She was charged by Sheriff Elwood Jacobs with concealing two hacksaw blades in a loaf of bread which she brought, along with some other gifts, to Charles R. Taylor, 26, of Galion. Taylor is serving 330 days on three counts of resisting arrest and one count of driving without an operator's license.

Other cases slated for jury consideration include: Robert L. Grimm, 18, of Bucyrus and Frederick J. Rule, 18, of near Bucyrus, each charged with two counts of breaking and entering. The pair allegedly broke into Schott Brothers Garage and Potter's Sohio Station in Bucyrus.

Bobby D. Burchett, 18, of Peggs, Okla., and Gomer S. Butler, 19, of Hulbert, Okla., breaking and entering. They allegedly broke a show window at Ley's Jewelry store in Bucyrus and stole watches, rings and costume jewelry valued at \$432. Most of the stolen articles were recovered.

Phillip E. Gardner, 22, of Galion, assault of child under 16. He allegedly grabbed a 13-year-old Galion girl as she was walking along an alley in the business district.

WILLIAM L. TERRY, 19, of Bucyrus, forgery, accused of attempting to pass a forged check for \$54 at the O. K. Kime Lumber Co. here. He was turned over to Summit County authorities at Akron as a probation violator.

Robert E. Hawkins, Sr., 24, of Mount Gilead, issuing check with intent to defraud. He allegedly cashed a check for \$34 at Woogard's Jewelry store in Galion, taking \$24 in change after making a deposit of \$10 on a ring.

Harvey E. Eldred, 50, of Bucyrus, driving while intoxicated. John Eldred, proprietor of Eldred's Grill in Galion, selling beer to a minor.

Ernest Thomas, 26, of Crestline, operating a motor vehicle without owner's consent.

Forrest Keller, Richland County, assault and battery. Carl M. Woodruff, 25, of Galion, issuing checks with intent to defraud.

DONALD AMICK and Olen Grogg, 19, both of Galion, breaking and entering, petty larceny and malicious destruction of property. Authorities reported the pair broke into the old Harvey Huey slaughter house, west of Galion, damaging the property and stealing some pipe and other equipment. Amick now is in the Ohio

First Science Fair Scheduled For Crawford

BUCYRUS — Crawford County's first science fair will be held at Bucyrus High School Saturday with six schools participating.

More than 50 entries will be on display at the show, which will open at noon. The exhibits will be put into place during the morning. Schools participating include Bucyrus, Holmes - Liberty, Sulphur Springs, North Robinson, Mt. Zion and Tiro.

Serving as co-chairmen are Forrest Mertz, science teacher at Bucyrus High, and William R. Donenwirth, Holmes-Liberty superintendent. Displays will be from grades 7 through 12 and include entries in general science, biology, chemistry and physics.

The fair is open to the public and representatives of several local industries will serve as judges. Ribbons will be awarded to the top-graded exhibits.

Appointment Needed

COLUMBUS, Ohio (AP)—Gov. Michael V. DiSalle says too many people are trying to get to see him without first arranging for the visit. He says he hates to turn away unscheduled callers. But they're becoming so numerous, they're infringing on his study and working time, he told newsmen.

Wittenberg College Professor To Speak at Institute Banquet

Climax of the Marion Industrial Supervisors Institute now in its second day at Harding High School will be a banquet in the school cafeteria beginning at 7:30 p.m. Saturday.

Principal speaker for the program will be Paul Brees, professor and head of the speech department at Wittenberg College at Springfield.

Other highlights of the program will be presentation of certificates to the approximately 200 supervisors attending the institute from Marion area plants and a brief talk by Edwin L. Mitchell, first vice president of the Chamber of Commerce. Hugh E. Webster, executive secretary of the Chamber, will present the certificates.

In opening sessions Thursday, the supervisors heard talks by Ted O. Jenney, plant supervisor for the Ohio Bell Telephone Co., and George Frack, district supervisor of distributive education.

Today they were scheduled to hear Robert Kline, training director for the National Cash Register Co. at Dayton, and Paul G. Craig, associate professor of economics at Ohio State University. In addition to the banquet tomorrow night, the supervisors will hear talks in two afternoon sessions by Irvin Gerard, federal mediator and conciliator, and John N. Holscher, director of per-

Mr. Brees, the speaker for the banquet, earned his bachelor of arts degree at the University of Illinois in 1918, his master of arts degree at the University of Michigan in 1927 and his doctor of philosophy degree at the University of Southern California in 1948. He majored in speech at all three institutions.

He also has taught at Friends University in Wichita, Michigan State and Kalamazoo colleges in

Michigan and with the Dale Carnegie Institute of Effective Speaking and Human Relations. He has been a teacher and consultant with the National Electric Light Association, the American Institute of Banking and the Goodyear Tire and Rubber Co.

Entertainment for the banquet will be provided by Marilyn Brammer, John Street and Bill Dixon, students at Harding.

The institute is sponsored by the Council, Chamber of Commerce and Marion Board of Education. The program director is Emil Lisak, supervisor of trades and industries at Harding.

Galionite Hurt in Fall

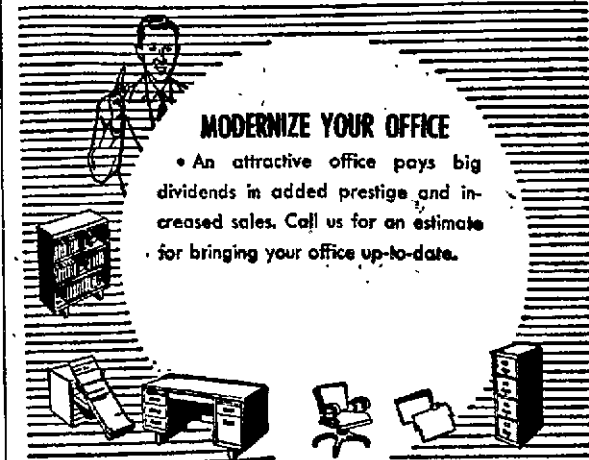

GALION — The heavy snow in Galion Thursday was blamed for an accident that took Melvin Nichols, 56, North Electric Co. employee, to Galion Community Hospital. Mr. Nichols suffered a back injury when he fell on the snow in the company's parking lot at 11:45 a.m. He was taken to the hospital in an ambulance, and released later in the day to his home south of Galion.

DiSalle Replies To Criticism of His Labor Bill

COLUMBUS, Ohio (AP) — It's corrupt officials in some of the independent unions ousted by the big AFL-CIO and railroad brotherhoods that Gov. Michael V. DiSalle is aiming at in his labor reform bill.

He has no quarrel with organized labor, he said Thursday, despite an AFL-CIO blast at the bill now in the State Legislature. The AFL-CIO claims the bill does not achieve its stated objectives.

DiSalle said he thinks both the AFL-CIO and the railroad brotherhoods have done a good job in ridding their unions of corrupt officials.

But, he told a news conference.

"If I were to concede that all officials in AFL-CIO unions and the brotherhoods are honest, Ohio still would need a law to protect its citizens against officials of the unions which have been thrown out of what we generally consider the organized labor movement."

His aim is to get the AFL-CIO's own ethical practices enacted into law, the governor said.

In answer to a question, DiSalle said the bill makes no attempt to end the checkoff system under which union dues are deducted from salary checks.

"They (organized labor's leaders) must know what we're driving at. This bill is not directed against organized labor. It is directed only against individuals," DiSalle said.

Forest Council Member Resigns, Shirk Gets Post

FOREST — The Forest Village Council Monday evening accepted the resignation of Councilman H. S. Mann, due to illness. Don Shirk was elected to fill his unexpired term.

Paul Krafft, and Clarence Kneisley, Jackson Township trustees and Dale Kellogg, clerk, Morris L. Burk, fire chief, and council members were told of a new fire alarm proposal by representatives of the General Telephone Co. It would work in conjunction with the new dial phone system to be used in this community in near future. The proposal was accepted.

Council passed an ordinance to increase water rates in the village as follows: first 6,000 gallons or less per quarter, \$6.00; next 6,000 gallons per quarter at 60 cents per 1,000 gallons; all over 100,000 gallons per quarter at 35 cents per 1,000 gallons. The new rates to become effective April 1.

**DORCAS**

"Now there was at Joppa a certain disciple named Tabitha, which is by interpretation called Dorcas . . ."

— Acts 9:36

Scripture introduces us to Dorcas when she is a grown woman, "full of good works and almsdeeds which she did."

Messengers have just brought the Apostle Peter word that she has died. Peter hurries from Lydda to her home. There he finds her body laid out in an upper chamber, while all about stood the widows and poor people Dorcas has helped, "weeping, and shewing the coats and garments which Dorcas made while she was with them."

Before Peter restores her to life, let us turn back the years in the life of this seamstress for the poor, whose still hands have so many times stitched baby clothes for orphans, and burial shrouds for the poor.

We see her as a little girl in the little sea-port town thirty-two miles northwest of Jerusalem. From her window she occasionally looks out over the flattened domes of the houses between her and the harbor. In the distant harbor, various kinds of ships lie at anchor in the sandy roadstead.

Already, her little hands are busy with the needle, as her mother teaches her to sew. She is happy to be helping with the work and eager to learn all the intricate stitches her mother knows.

But from time to time, her thoughts wander. She is thinking of a conversation she overheard between two men who came from Jerusalem to visit her family several days before.

They had talked excitedly of a man who, they said, had been unjustly condemned to death and crucified, but who had returned to life after three days.

"Is it possible to rise from the dead as they say the prophet Jesus did?" she asks her mother earnestly. "So He taught," her mother replied. "If you truly believe."

Dorcas believed. Years later in the upper chamber at Joppa she heard the voice telling her, "Tabitha, arise." And she opened her eyes.

To Your Good Health

By JOSEPH G. MOLNER, M.D.

Typhoid, Paratyphoid Germs Are Different

"Dear Dr. Molner: You once wrote about vaccination prior to traveling abroad and made mention of diarrhea when one has not been vaccinated. My sister has been troubled with that complaint since her return, but I no longer have a copy of that column. —J.M.B."

The fairly universal vaccinations for travel are for smallpox, typhoid and paratyphoid, with others required depending on where you go. The third named is of particular use in avoiding diarrhea. Let me qualify this statement. Typhoid and paratyphoid are similar diseases, and in most ways the latter can be described as a "mild typhoid." The germs, however, are different; protection against one does not protect against the other.

Both diseases may (but not always) be accompanied by diarrhea. Typhoid, of course, is a dangerous disease; paratyphoid is by no means as dangerous, but it certainly takes the fun out of life for a time.

Meticulous control of drinking water and food has made both of these much less common in this country. In a good many foreign countries, the water is NOT SAFE. People who live there in time acquire immunity from exposure to the germs. But what happens when we go abroad, having had scant contact with the germs? We are sitting ducks.

For that reason we place such stress on having vaccinations before going abroad. That is also a principal reason for advising against drinking water in many foreign countries, but sticking to bottled liquids, or tea, for example, the water having been boiled first.

However, the fact that paratyphoid causes intestinal disturbances must not be taken as indication that it is the ONLY cause. There are others, both more and less serious. In some quarters of the globe cholera is still a peril; in others amoebic dysentery, which is the commonest cause.

LESSER ORGANISMS may be involved. Or there may be parasites which are causing the trouble.

In an ordinary case (whatever that means!) I would say we are justified in using simpler remedies to combat the symptoms; that is, the cramps and the loose movements of the bowels.

When a case is severe, immediate and vigorous treatment is required. But when the trouble, although not violent, persists, then applies to today's letter, then the wise thing is to seek out the precise cause. This may involve some laboratory tests. Indeed, I'd say it probably will, but until you pin down the cause you aren't going to be able to apply a specific remedy.

"Dear Mr. Molner: Can you tell me what causes a roaring noise in the ears I have had it quite some time.—E.S.R."

The gist of what I know about it is contained in a booklet I've recently completed on "Ear Noises," or tinnitus, if you prefer that term. (Copies are available to readers who send a long self-addressed envelope and 10 cents in coin to Dr. Molner, care of this newspaper.)

"Dear Dr. Molner: What is the function of the colon? I realize nature provided it, but for what purpose.—V."

The colon is the nether portion of the bowel; it completes the chore of extracting the nutritional elements of our food as well as water from the stool and expelling the rest which is of no further use.

"Dear Dr. Molner: I wish to know truthfully if blood transfusion has a tendency to turn your complexion darker.—E.J."

No. Hemorrhoids can be cured! If troubled with fissures, fistulas, itching and other rectal problems, write to me in care of this newspaper requesting a copy of my booklet, "The Real Cure For Hemorrhoids," enclosing a large self-addressed, stamped envelope and 20 cents in coin to cover handling.

Dr. Molner welcomes all reader mail, but regrets that due to the tremendous volume received daily, he is unable to answer individual letters. Readers' questions are incorporated in his column whenever possible. (Copyright Field Enterprises)

Benson Holds Line on Dairy Price Support

Political Implications In New Farm Move Denied by Secretary

By OVID A. MARTIN
Associated Press Farm Writer
WASHINGTON (AP) — A decision of Secretary of Agriculture Ezra Taft Benson to make no further reduction in dairy price supports has political as well as economic implications.

In announcing this decision at a news conference late Thursday, Benson set forth at length what he termed economic justifications for retaining the present dairy supports. Under the law, he could have cut them about 3 per cent.

Some farm leaders expressed surprise. Benson already had lowered supports for a great number of products, including wheat, corn, rye, oats, barley, sorghum grain, soybeans, cotton, cottonseed, rice, peanuts, flaxseed, and dry beans.

Benson's philosophy "has been that the way to head off surplus production of crops and milk is to

Pre-Easter Services Set at Harding

Miss Judy Bauer Miss Lynn Ludwig Paul Cressor Jerry Bechtle Jim Jones

The Hi-Y and Tri-Hi-Y Clubs at Harding High School will present their annual pre-Easter services in the auditorium of Harding High School March 16-20.

Services Monday through Thursday will commence at 8 a.m. with organ music, with the actual service running from 8.10 to 8.30.

On Friday the service will be held from 9 to 9:45 a.m. before the assembled student body. Appearing during this service will be the Harding High School

Choir under the direction of L. G. Jones.

The public is invited to join in the morning devotions.

The theme for the week will be, "Questions of the Last Week." Five different student speakers will explore the various questions which arose in the week immediately preceding Christ's crucifixion.

The speakers and daily themes are:

Monday, Judy Bauer, "Who is Jesus?" based on Matthew 21:10; Tuesday, Lynn Ludwig, "By What Authority?" Matthew

21:23; Wednesday, "God or Caesar?" Matthew 22:17; Thursday, "Which Commandment is Greatest?" Matthew 23:36; and Friday, "What Shall I Do With Jesus?" Matthew 27:22.

The services are prepared by the high school members of the Hi-Y and Tri-Hi-Y and are presented by the youths. Assisting club members are the Rev. John Searle of the First EUB Church and the Rev. Paul Holtenbach of Epworth Methodist Church.

Each service will be tape recorded and replayed later in the day over WMRN.

Public Will Get Chance To Bid On Ford Stock

WASHINGTON (AP)—Two million shares of Ford Motor Co. stock will be offered for public sale at the end of this month by the Ford Foundation.

The offering of common class "A" stock, at today's price, will be worth more than 110 million dollars.

The foundation notified the Securities and Exchange Commission Thursday of the intended sale.

Plans outlining the sale said the offering price would depend on the price of Ford stock on the New York Stock Exchange just before the block of shares is released. Ford stock closed on the New York market Thursday at \$55.37, up 62 cents on the day. This compares with the original offering price of \$64.50 a share and a low of \$35.87 in 1957.

The only earlier big offering of Ford stock to investors was in 1956, when the public was first invited into part ownership of the previously tightly held family corporation. That issue of 10,200,000 shares was the largest issue of equity stock in history.

The foundation is a nonprofit corporation organized for scientific, educational and charitable purposes. It owns 36,132,239 shares of Ford stock, acquired through gifts and bequests from Henry and Edsel Ford.

Galion Historical Society To Honor Resident of Town

GALION — Some time this fall the Galion Historical society will make its first award to a local citizen who has best promoted the cause of local history during the year. The society plans to make either an annual or semi-annual award for this purpose, and a committee has been appointed to make the selection.

The society held its March meeting Wednesday night at Hotel Talbot with Dr. Bernard M. Mansfield presiding. The committee headed by C. B. Sloane has met with little success in securing a room or place in town to exhibit historic relics for any length of time. Efforts are being made to secure a temporary museum to display the articles which have been donated to the society.

A film, "Freedom's Proving Ground," was shown. John Mansfield was the projectionist.

The society went on record as supporting the bill in the state legislature which would permit cities and villages to contribute money to local historical societies. C. L. Morkel was welcomed as a new member.

Says Positions Conflict
COLUMBUS, Ohio (AP)—Atty. Gen. Mark McElroy has ruled that a county commissioner board member cannot hold a position as director or officer of a county or independent agriculture society. He said the positions are in conflict.

Marion County School Boards

Monthly meetings were held by the local boards of education in the New Bloomington and LaRue district Thursday. Reports of the meetings follow.

—New Bloomington—
Members of the New Bloomington Board of Education hired three bus drivers, two of them on a temporary basis, at their meeting Thursday night.

Hired for the temporary posts were George Calb of New Bloomington and Lee Snyder of Marion. Millard Shuck of Espyville was tentatively named as the permanent driver for Bus No. 1.

The board set Sunday, May 24, as the date for the baccalaureate and commencement. The baccalaureate will be held at 2 o'clock in the afternoon while the commencement will follow that night.

Announcement was made that the basketball banquet will be held Tuesday night at 6:30 at the school. A discussion was held on teacher salaries but no action taken.

—LaRue—
A revision in the salary schedule at the LaRue School was voted when the Board of Education met Thursday night. The revision, raising the salaries, will go into effect during the next school year.

According to Supt. Howard Rinehart, the increases generally amount to one increment step, although some categories received a slightly higher boost.

Discussion was held on school reorganization, legislation before the state legislature and the financial situation in the school district.

Funeral Services Slated For Auto Mishap Victim

DELAWARE — Funeral services will be held Saturday at 2 p.m. in the Bennett-Brown Funeral Home here for Clifford C. Dray, 53, of near Delaware who was killed in a traffic accident Wednesday night.

Mr. Dray was killed when the car driven by his daughter, Sue Ellen, 17, crashed into a tractor-trailer rig on Rt. 42 north of here.

He was born in Putnam County, the son of Jesse H. and Elora Leity Dray. Surviving with his daughter is his wife, the former Mary Ashbrook, and two brothers, Charles Dray of Mount Gilead and Clayton Dray of Galion.

Officiating at the funeral services Saturday will be the Rev. Thomas Cromwell of Delaware's Asbury Methodist Church. Burial will be in Marlboro Cemetery. Friends may call at the funeral home until time of services.

Galion Father Sees Boy Run Into Path of Auto

GALION — John K. Morris of Harding Way E., was driving behind the car that struck his 6-year-old son, John Douglas Morris, about noon Thursday. The boy ran in front of a car driven by Dale W. Bunn of S. East St., who was driving west near the boy's home, police said.

The boy was taken to Galion Community Hospital where he is being treated for a fractured left leg and contusions of the forehead and lip. His father witnessed the accident.

In a picture layout appearing in Wednesday's Star concerning courses in the Adult Education Program, an organ being played by a student was incorrectly identified as a chord organ. It was a spinet organ.

Ladies Night Party Held

Charter Members Cited At Y-Men's Club Dinner

Three charter members were presented plaques and life membership cards at the annual "Ladies Night" party of the Marion Y-Men's Club held Thursday night at the YMCA.

Honored were William McGee, Harold Henry and Ed Probst. In making the presentation, President William Tracewell congratulated them on their 16 years of outstanding service for the community as members of the club.

Mr. Tracewell traced the history of the club in terms of service, listing its projects, which have included park shelters, benches and tables, the N. Main St. Boys Club, the "Y" Outpost on Silver St. and the Magnetic Springs polo fund. Mr. McGee told of the organization of the club in 1943 and of its early work in the community.

He then introduced the guest speaker for the evening, Edward A. Wright, professor and chairman of the theatre arts department at Denison University.

Prof. Wright entertained the 94 members and wives present with a humorous program of original

COLUMBUS, Ohio (AP)—Doctors here will try today to correct a deformed valve in the heart of 11-year-old Michael Hayes, son of Mrs. and Mrs. Carroll Hayes of Willow Wood, Lawrence County. Eight regular and reserve marines in Huntington, W. Va., who supplied some of the 25 pints of blood needed for the operation, will be rooting for him.

IRS Charges 6 Ohioans With Evading Taxes

CLEVELAND (AP)—Six northern Ohio men will be arraigned before U. S. Commissioner H. A. Horn next week on charges of evading nearly \$50,000 in 1952 income taxes.

Named in complaints filed Thursday were Fred G. Shuler, 56, and Victory F. Janius, 54, both of Youngstown; Alvin M. Kesler, 62, and William E. Cunningham, 69, both of Akron; Dr. Robert P. Southard of Warren; and Dr. Robert R. Bowman, 49, of Canton.

Shuler, president of General Extrusions, Inc., listed income of \$18,941 when he should have reported \$56,852, said U. S. District Atty. Russell W. Ake. Shuler owes \$21,400 in 1952 taxes, the government claims.

Other claims filed were against Kesler, who operates the meat

markets of the Acme Stores in Akron. The government claims he owes \$17,000. He is charged with reporting \$18,907 on a \$50,784 income.

Janius, who operates Nichols Stores, Inc., in Youngstown. The government claims he owes \$13,700. He is charged with reporting \$7,159 on a \$13,818 income.

Southard, Warren osteopathic surgeon. The government claims he owes \$3,600. He is charged with reporting \$9,425 on a \$21,000 income.

Bowman, Canton dentist. The government claims he owes \$13,100. He is charged with reporting \$9,827 on a \$20,094 income.

Cunningham, owner of the Cunningham Funeral home in Akron. The government claims he owes \$700. He is charged with reporting \$6,252 on a \$9,050 income.

Frank R. Miller of Madisonville, Ohio is 105 years old. In 1956 he went to the polls to cast his vote for Eisenhower. Said he still thought Abraham Lincoln was our best president.

Plans were made for a 50th anniversary dinner honoring charter members to be held on March 25 when Canby Temple 152, Pythian Sisters, met Wednesday night in the IOOF hall. The dinner will be served at 6:30. Reservations are to be made with Mrs. Eva Robertson or Mrs. Anita Conkle. The mystery box was won by Mrs. Daisy Felly and the special award went to Mrs. Conkle.

Durward Temple 427 of Prospect met at the K. of P. Hall Tuesday night with Mrs. Helen Griffith in charge. The charter was draped for Mrs. Bernice Lauer. A covered dish dinner was planned for March 17 at the home of Mrs. Nellie Long. The quarterly birthday party will be held at the March 24 meeting. Mrs. Mabel Fryman won the mystery package. Mrs. Opal Carr and Mrs. Doris Gast served refreshments.

Snowdrop Division 167, Grand International Auxiliary to the Brotherhood of Locomotive Engineers, met Tuesday afternoon in the Grotto Hall, W. Church St., with Mrs. A. M. Eismann, president, presiding. Initiation ceremonies were conducted for Mrs. Roy Crawford of Green Camp. Mrs. F. C. Holtz and Mrs. W. C. White assisted in the initiation.

An invitation was accepted from Columbus Division 116 to attend their 50th anniversary luncheon and meeting March 19 to be held in the Engineers Hall, 245 S. High St., Columbus. A number of the members are planning to attend. A dinner was served at 6 o'clock to 57 members of the auxiliary and brotherhood and several guests by the officers, assisted by Mrs. G. W. Blank, Mrs. R. G. Donley, Mrs. J. L. Sontag and Mrs. John Tucker. The dinner was in honor of Mrs. Mary Kunkler and Mrs. Jennie Ewing who were presented 40-year pins by Mrs. Anna Poorman, a member for 55 years.

The honored guests joined the auxiliary in Galion in 1919. Mrs. Kunkler is now serving her 30th continuous year as treasurer and both have held numerous offices during their membership.

Corsages were presented to them before the dinner. Mrs. Kunkler's from her daughter, Mrs. Thelma Fetter, and Mrs. Ewing's from her son, John Ewing of Nankin, O. The large anniversary cake, decorated with a replica of the lodge emblem, and the numerals 40 was baked by Mrs. C. R. Hall. The tables were decorated with candles of the lodge colors, pink carnations and Easter baskets.

Guests, along with Mrs. Fetter, were Mrs. Lucille Conrad, daughter of Mrs. Ewing, Mrs. Carl Mayner and Mrs. Eugene Allison. Mrs. A. L. Kelly received the table award.

The women played cards while Division 16 held its regular meet-

ing with F. S. Korte, chief engineer, presiding. The next meeting of the auxiliary will be March 24 at 2 p.m. in the Grotto Hall.

WCTU News

The Florence Richards unit of the WCTU held its institute at the Wesley Methodist Church Tuesday with a potluck dinner at noon.

Mrs. Charles Clark spoke on the "Power of the Printed Word" at the morning session. The meeting, conducted by President Mrs. Lloyd McCleary opened with the group singing.

A vocal solo by Mrs. Robert Linter was accompanied on the piano by Mrs. H. C. Wendler. The president reported three layettes had been completed for Korea and that a box had been filled for the Soldiers and Sailors Home in Sandusky.

A prelude of piano selections played by Mrs. Wendler preceded the afternoon session which featured the Rev. Robert Linter, pastor of the church, as the main speaker. The Rev. Mr. Linter discussed the difference between being "filled with the Holy Spirit" and the "bottled spirit."

Mrs. H. C. Thomas, county president, extended an invitation for the group to attend the LaRue institute, April 3; the Frances Willard and Anna Gordon Institute, March 18 at the Nazarene Church on Kensington Ave.; and the April 24 Marion County Institute to be held at Greenwood, Methodist Church.

Mrs. Linter and Mrs. Clark performed another musical selection and the meeting closed with each member giving a personal testimony. Miss Linda Torse of Edison was the only guest.

"Meal planners — add fresh wholesome tang to the daily menu with some good 'old style' Zehner's Fresh Sausage."

Weddings

Mr. and Mrs. Clarence Stanley of 238 Park Blvd. are announcing the marriage of their daughter, Betty Jean, to Leroy Bert Orr, son of Mr. and Mrs. Lovell Orr of 522 Lee St.

ANSWERS YOUR PROBLEMS

Dear Readers: Since Christmas, I've had a rash of letters from victims of Hungry Relatives. This affliction apparently plagues a great many people.

There is no known cure, short of announcing in plain English that the soup kitchen is closed and to come only when invited please.

A unique approach was suggested by a Chicago reader. I'm printing her letter for whatever value it may have. — ANN LANDERS.

Poaching Relatives

Dear Ann: People who fuss about poaching relatives may learn something from my system. It worked for me and could possibly work for others.

We have a nice big home and I'm a fairly good cook. My husband and I like people but we also enjoy our own company.

Last year it dawned on us that five nights out of seven we had uninvited guests for dinner. Our relatives brought THEIR relatives. Friends came from the suburbs and out of town, without the courtesy of a phone call.

Our grocery bill looked as if we were feeding a regiment of soldiers. It was nothing for me to spend \$40 a week with the butcher

alone. (Eight steaks ran me \$13.80, and this was ONE meal.)

When my husband said to me, "Too bad the chow around here is so good," I got an idea. The next time his sister, her husband, their two kids and my in-laws came in at dinner time (they live 70 miles from here) they were greeted by the aroma of mackerel patties. Somehow the potatoes got burned.

Next morning we had mush for breakfast and the bacon was black. When I began to cut up two big heads of cabbage for dinner, everyone remembered they had other plans. I never saw people leave a house so fast.

The next night MY family dropped in for dinner. I served hash and soupy beans. For dessert I opened a can of peaches. We followed this formula for two weeks and it cured the whole tribe. No one drops in for meals any more. Apparently the food was the big attraction.

"Somehow" we accumulated an extra \$900 in our bank account since last January. We're going away for three weeks. Toodle-oo! — E.D.S.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Marion Star, enclosing a stamped, self-addressed envelope.

The Social Notebook

Fourteen members were present when the Pleasant 20 Circle of the Child Conservation League met Wednesday evening at the rural home of Mrs. Richard Shively. Mrs. W. Gene Phillips was co-hostess.

In a brief ceremony Mrs. Thurman Hughes welcomed Mrs. Donald MacPherson, Mrs. William Varner and Mrs. Robert Leid as new members.

Mrs. Olen Flickinger led the devotions. Guests at the meeting were Mrs. Charles Bowen and Mrs. Laszlo Condor.

Announcement was made of the CCL district conference to be held April 15 in Upper Sandusky.

Mrs. Jack Snyder was appointed to the finance committee. Named to serve on the nominating committee were Mrs. Donald Coile, chairman, Mrs. Ed McLaughlin and Mrs. Ralph Hedges.

Plans were made for the installation of officers at the May 13 meeting at which time the Rev. Irvin W. Emmons will speak on "Spiritual Development of the Child." The installation and potluck dinner will be held at the home of Mrs. MacPherson.

Guest speaker for Wednesday night's program was Mrs. George Wood, Pleasant Girl Scout Troop 84 leader, who explained Girl Scout activities and how a sponsoring organization can further scout activities in a community. A question and answer session followed her talk.

Prize winners were Mrs. Walter Eaton, Mrs. William Hoover, Mrs. Varner, Mrs. McLaughlin, Mrs. Wood, Mrs. Bowen, Mrs. Condor and Mrs. Snyder.

Mrs. Joe Springer will entertain for the April 8 meeting at her home at 1591 Lusch Rd.

Dear Ann Landers: I'm a "mama's boy" but I don't want to be one. Can you help me?

I'm in my first year of high school and now I see all the mistakes I've made. I never went out for athletics because my mother was afraid I'd get hurt. I don't know how to dance because I was too blamed lazy to learn. I never made any friends because my mother drilled it into my head that school was a place to get an education, not to make social contacts.

The kids have let me alone because I made it clear I wasn't interested in their friendship.

Now I want friends so bad I can't see straight but no one pays any attention to me. I have three and a half years of high school left and six years of college after that. This adds up to nine years of loneliness.

Did I wake up too late? Can you help me? I sure need it. — THE LONER.

Dear Loner: Anyone so acutely aware of his shortcomings and

GEORGE FEYER, internationally known pianist, will combine popular and classical numbers in presenting the final program of the Marion Concert Association season Sunday at 3 p.m. in the Harding High School auditorium.

A product of the Budapest Conservatory of Music, the young pianist studied there under such contemporary masters of the art as Dohnanyi, Kodaly and Szekely.

Feyer gained recognition as one of the most promising young concert pianists in Hungary, but suddenly shifted his interest to popular music. In this field he soon became one of the best known and best paid entertainers in Europe.

Coming to the United States in 1951, he made his debut in New York where audiences hailed him for a skillful blending of the best in American music with the best in European tradition.

His repertoire is literally limitless.

The pianist has recorded 13 albums on the Vox label, among them "Echoes of Broadway," "Echoes of Paris" and "Echoes of Spain."

He is expected to play selections from Offenbach, Gershwin, Liszt, and Strauss, and several samplings from his popular recordings.

Feyer has appeared on the "Voice of Firestone" and Ed Sullivan television programs. His recordings have chalked up sales of more than half a million dollars.

Dedicated to music above all else in his life, Feyer claims that the only interesting things that ever happened to him were wrapped up in music.

Church Activities

Budget for the year was announced when the St. Paul's English Lutheran Evening Circle met Tuesday night at the church. Mrs. Donald Harraman was in charge and reports of the general board meeting Feb. 23 was given. Announcement was made of a book review for April 14. The group was invited to attend a meeting at First Church in Upper Sandusky March 31. Lesson was on "Faith, the Answer to Fear" and compared fears of Bible times and fears of today. Mrs. Earl Thatcher gave devotions. Refreshments were in keeping with St. Patrick's Day.

Group singing of a hymn followed by prayer by Mrs. Stella Wilhelm opened the meeting when the Martha Coy Circle of Prospect St. Methodist Church met Wednesday afternoon at the church. Thirteen members were present and Mrs. Harold Gleespen was a guest.

For the program, Mrs. Freda Uphoff presented the topic "Deep Roots—Strong Branches." For devotions, Miss Minnie Wanner read scripture from the 12th chapter of First Corinthians. Refreshments were served by Mrs. Eva Krautter and Mrs. William Bechtel.

When the Practical Nurses Association Division 7 met Tuesday night at Marion General Hospital, speaker was Miss Margaret Gast, instructor of the practical nursing class at the hospital. Her subject was "Ethics."

In a business meeting which followed, plans were discussed for an all-day and evening workshop to be held April 14 at the YMCA when state officers will be present to instruct various classes. Dinner will be served in the evening.

Report on OSU Branch Given To Kiwanians

Arisman, Assistant To President, Lauds Cooperation Received

A report on the Ohio State University Branch at Marion was the subject of the program of the Marion Kiwanis Club Thursday noon in Hotel Harding.

Presenting the program was Kenneth Arisman, professor and administrative assistant to President Fawcett at Ohio State University.

Opened in 1957

The local branch of the university, which is in its sixth quarter of operation, opened October 1957.

Mr. Arisman spoke highly of the cooperation of all local citizens who have had a part in its establishment or operation.

Sixty per cent of the student body is comprised of students aged 18 to 20, and 27 per cent are between the ages of 21 and 30, he commented. Approximately 52 per cent are from the city of Marion, 19 per cent from Marion County and another 6 per cent commute from a distance of 26 to 56 miles, he added.

Mr. Arisman indicated that the student evaluation survey of the branch program showed a favorable reception on the part of the students and that those attending felt the instruction they received was of high quality.

Drop-Out Rate Low

The speaker further noted that the top out rate of students was only 8.7 per cent in Marion as compared with 31 per cent at the main campus in Columbus.

He also commented on the scholarship program through which local manufacturers, civic organizations and interested individuals make several scholarships available each year for worthy students.

The Marion branch is one of three operated by Ohio State. Others are in Newark and Mansfield. Mr. Arisman assisted in planning all three branches.

With the local branch boasting an enrollment of 200, Mr. Arisman disclosed that the university is planning to expand its program here to include additional courses in science and other fields. These courses will be available to the general public and will be separate from the branch's two-year program.

The speaker was introduced by Robert S. Brown, superintendent of Marion city schools.

Rollin Wilson and Phil Fox of Marion were guests at the meeting.

An announcement was made that the club will entertain the di-

Dear Ann Landers: I'm a "mama's boy" but I don't want to be one. Can you help me?

I'm in my first year of high school and now I see all the mistakes I've made. I never went out for athletics because my mother was afraid I'd get hurt. I don't know how to dance because I was too blamed lazy to learn. I never made any friends because my mother drilled it into my head that school was a place to get an education, not to make social contacts.

The kids have let me alone because I made it clear I wasn't interested in their friendship.

Now I want friends so bad I can't see straight but no one pays any attention to me. I have three and a half years of high school left and six years of college after that. This adds up to nine years of loneliness.

Did I wake up too late? Can you help me? I sure need it. — THE LONER.

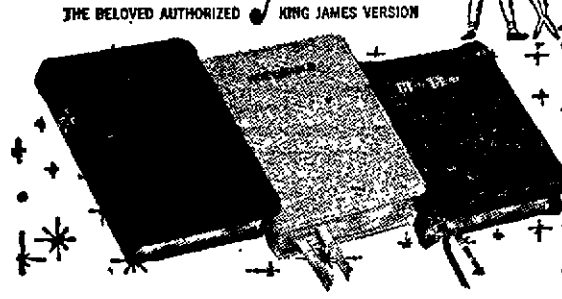

Dear Loner: Anyone so acutely aware of his shortcomings and

Trade Policies Will Share Agenda in Ike-Macmillan Parleys

Britain Aims Irritation at U.S. Moves

Berlin Crisis Is Still No. 1 Item for Talks Starting Next Week

LONDON (AP) — British resentment at U. S. trade policies will be among the topics British Prime Minister Harold Macmillan will thrash out with officials in Washington next week.

While the Berlin crisis will remain the No. 1 item on the agenda of the Anglo-U.S. discussions, Macmillan has stressed that he intends to spell out the reasons for Britain's irritation at recent American trade decisions.

Basically, the four principal U.S. trade moves which have stirred particular opposition in Britain are:

1. The announcement last year of U.S. quotas for the import of lead and zinc and restrictions on oil imports.
2. The rejection of the English Electric Company's bid to furnish equipment at the Greers Ferry, Ark., dam project.
3. The U.S. attitude at the recent Montreal conference on aviation navigational aids of the International Civil Aviation Organization. The conference approved an American navigating system in preference to a British system.
4. U.S. wool tariff quotas, which the British feel work against high-quality cloths in favor of staple cloths.

British worries about all these are based more on a strong feeling of dependence on U.S. economic leadership than on hostility or suspicion.

Voting

(Continued From Page 1)

five department heads, a State Supreme Court chief justice and four associate justices, each to serve seven years; 11 circuit court judges to serve six years, and members of many state commissions.

The election presumably will be held some time in the summer. President Eisenhower must sign the statehood bill, Quinn must call for an election—at which Hawaii also will vote to accept (or reject) statehood—and 60 days more must elapse before the balloting.

Hawaii also will elect two U.S. senators, one congressman, a lieutenant governor and other state officials, and a legislature.

Democrats have controlled the Territorial Legislature since 1954 and have many full-blown candidates. Republicans are short on office holders.

However, they did elect Honolulu's mayor, Neal S. Blaisdell, who also is reported eyeing the governor's chair. Republican leaders probably will urge him to run for Congress to avoid an intra-party fight.

Marion Symphony Orchestra Plans To Organize Auxiliary

The Marion Symphony Orchestra today announced plans to form an auxiliary in the interest of promoting a wider community appreciation of music.

Mrs. Mary K. Hollinger, orchestra president, reported that the organization will handle plans for concerts and will conduct money-making projects to help meet expenses of the symphony.

Charter Meeting April 15
Memberships in the new group are now available at \$1 a year. Those procured by April 15, the date of the organizational meeting, will entitle holders to charter membership Charter members will be guests of the Marion Symphony during its spring concert May 3.

Mrs. Hollinger noted that memberships may be obtained beyond the April 15 date, however.

Anyone wishing to affiliate with the auxiliary should contact an orchestra member or Mrs. Tony Todaro of 559 S. Main St.

Initial distribution of membership cards will take place at the organizational meeting, to be held at the parish house of the First EUB Church on S. Prospect St. the night of April 15.

Mrs. Edward Lewis, chairman of the planning committee for the auxiliary, will preside for the initial session until officers are elected.

Working with Mrs. Lewis on the planning committee are: Mrs. Todaro, Miss Ida Mae Abe, Mrs. Ted Snow, the Rev. John Searle, Mrs. Hollinger and Miss June Roseberry.

Can Strengthen Group
Commenting on the orchestra's endeavor to form an auxiliary, Mrs. Hollinger explained that the symphony feels the support of an auxiliary can help to strengthen the group so it can make a greater contribution to music in Marion.

Mayor Wendell L. Strong has endorsed the idea as an excellent one to develop both instrumental talent and music appreciation to their fullest. He has expressed the hope that public spirited citizens will support this movement in the interest of promoting greater cultural opportunities musically in Marion.

An orchestra advisory council, composed of civic leaders, also has approved the idea.

The orchestra, now in its third year, was organized in 1957 under the Adult Education Program at Harding High School. From an ensemble of 15 players, it has grown to a membership of approximately 30. The first conductor was Homer Huffman. Serving as conductor for the last two years has been Edward A. Miller.

The group has provided incidental music for several programs.

Civil War Vet Is Hospitalized By Pneumonia

KINGSPORT, Tenn. (AP) — John Salling, one of two surviving veterans of the Civil War, was hospitalized today by pneumonia.

Salling was brought to Munal Clinic, a private hospital here, from his home in Slant, Va., Thursday. Dr. John Munal confirmed the diagnosis, and said Salling was in very poor condition.

The only other survivor of the Civil War is Walter Williams of Houston, Tex., who was 116 on Nov. 14. He has been bedfast and in declining health for many months.

Two members of Salling's family — one a great-granddaughter 100 years younger than he — are in the same hospital. They are Mrs. Hobart Hawkins, wife of a grandson, who is recovering from recent surgery, and her daughter, Linda, 12, who is in good condition.

Master Plan

(Continued From Page 1)

1. The city administration should appoint a fully-representative area planning commission.

2. This commission, with the aid of professional city planning consultants, should formulate a detailed master plan.

3. The master plan should then be presented to City Council for appropriate action.

4. The area planning commission should operate continuously so the community will benefit from intelligent long-range thinking.

"The citizens of Marion have not been receiving a fair return for their tax payments," she said.

"Lack of planning is costly due to duplication of effort and inefficiency. Additionally, our community has not received a fair share of available state and federal funds because we lack comprehensive planning."

"How long must the citizens of Marion suffer from poor government? When will the people get completely 'fed up' and stimulate intelligent civic action?"

"For the sake of Marion, I sincerely hope our civic pride will point the way to substantial improvements in the near future," she concluded.

Mrs. Burton, the first woman in Marion history to seek the city's top executive post, will oppose incumbent Mayor Wendell L. Strong for the Republican nomination in the May primary elections.

When the hearing was recessed Thursday afternoon John Besinger, a material handling foreman, was on the witness stand. He was scheduled to resume the stand this morning.

Also testifying Thursday were Ray Cox, production control superintendent, and H. J. Schroeder, controller for the plant. Mr. Cox and Mr. Besinger were formerly supervisors of Carl Adkins, the discharged employee, while Mr. Adkins was in the material handling department.

Collection of Sales Taxes Rises Here

Sales tax collections in Marion County during the week ending Feb. 28 registered an \$800 increase over the corresponding week of last year for a total of \$21,003, State Treasurer Joseph T. Ferguson reported today.

Cumulative collections since July 1, however, total \$742,065, nearly \$82,000 behind the \$824,014 recorded for the same period a year ago, the treasurer reported.

Throughout the state, 55 of the 88 counties registered increases in weekly collections to bring the statewide total to \$3,581,655, an increase of \$558,405 over collections for the corresponding week of 1958. Since July 1, the state has taken in \$150,059,534 against \$134,567,173 for the same period last year.

Weekly collections in bordering counties, with figures for the corresponding week in 1958 in parentheses, were: Crawford, \$16,833 (\$13,448); Delaware, \$6,842 (\$6,837); Hardin, \$6,675 (\$5,334); Morrow, \$2,612 (\$3,248); Union, \$4,864 (\$7,356); and Wyandot, \$6,535 (\$4,273).

United Jewish Appeal Goal Is \$205 Million

The 1959 national goal set for the United Jewish Appeal is \$205 million. In a story in the Wednesday issue of The Marion Star it was incorrectly reported that the goal had been set for \$100 million.

This \$100 million goal is a special fund to meet the immediate needs of the current mass emigration from Eastern Europe. It is expected that the number of emigrants will reach 100,000 persons by the end of this year.

The additional \$105 million is the regular campaign budgetary requirements which provides relief and rehabilitation for more than 650,000 persons in Israel and 24 other countries throughout the world.

Paul A. Kleinerman, Marion United Jewish Appeal chairman, noted that the 1959 goal for Marion has been increased 25 per cent to help meet the increase in the national goal.

Will Take Office in July

Dr. Charles W. Wilson To Be Rotary President

Dr. Charles W. Wilson was elected president of the Marion Rotary Club for the 1959-1960 club year at a meeting of the board of directors Thursday night at Hotel Harding.

The new president, who currently is serving as vice president and program chairman, will take office in July as successor to John A. Maxwell Jr.

T. L. Hufert was named vice president at last night's meeting and Harold W. Hall was elected for the 10th year as secretary-treasurer.

BORN IN Washington, D.C., and reared in Staunton, Va., Dr. Wilson was graduated from Virginia Polytechnic Institute and the University of Virginia medical school.

He interned at Virginia Mason Clinic in Seattle, Wash., served as a U.S. Navy medical officer at the U.S. Naval Hospital in Charleston, S.C., returned to the University of Virginia to start his residency, and finished at the Veterans Hospital in Richmond, Va.

Since July 1, 1952, he has been engaged in the practice of internal medicine with the Frederick C. Smith Clinic. He has been a member of the Marion Rotary Club since 1953 and also holds membership in the Marion Country Club.

He is a member and past secretary-treasurer of the Marion Academy of Medicine, and an instructor in medicine at the Ohio State University College of Medicine. The family attends Trinity Baptist Church, where Dr. Wilson is a member of the finance committee.

Dr. and Mrs. Wilson and their four children reside at 880 Leetonia Rd.

MR. HUFERT, a resident of Marion since May 1955 and a member of the Rotary Club here since August 1955, is director of industrial relations at the Marion division of the Whirlpool Corp.

Mr. and Mrs. Hufert, who reside at 610 King Ave., have two daughters — one at home and one a freshman at Denison University.

Present directors of the Marion Rotary Club in addition to Mr. Maxwell, Dr. Wilson and Mr. Hufert, are Wayne H. Kuhn, R. T. Lewis, Robert A. Bagley, Maurice Cornell, Arthur Martin and the Rev. Irvin Emmons.

New directors taking office in July will be Robert Van Sickle and Paul Kohler. Mr. Lewis, currently serving an unexpired term on an appointment, was chosen for a full three-year term at a recent club election.

Students To Visit Marion Rotarians

The Marion Rotary Club will play host to 70 foreign exchange students and their 4 chaperones during a weekend visit to Marion July 11, 12 and 13.

Decision to undertake the project was reached at last night's board of directors' meeting after presentation of the details by Wayne H. Kuhn, general chairman of the club's International Service Committees and a member of the Marion American Field Service Committee.

The students presently are in the United States on the same program under which Tim Rothe of Denmark is attending Harding High School.

The bus trip on which they will come to Marion will follow their departure from homes in which they have spent the winter and will precede immediately their return to their own countries.

Rotary families in Marion will be asked to entertain one or more students Saturday night, Sunday and Sunday night. The visiting group will return to its buses Monday morning to resume its journey.

Aid

(Continued From Page 1)

to building a Fortress America — if we had not had such a program," he said.

The President said that dollar for dollar, foreign aid adds more to American security than a far greater expenditure on United States forces. He cited as dividends of the program some 250 strategic Air, Navy and Army bases made available by foreign countries, as well as five million men such countries have mobilized to help curb Soviet aggression.

Rejecting the contention that the Soviet has outstripped the United States in military might, Eisenhower called the Soviet Union "the second military and economic power in the world today."

He said Red China, "the other great Communist power," also is demonstrating a ruthless drive for power.

Eisenhower said the next decade will forecast the outcome of the free world struggle against communism.

"The challenge that confronts us is broad and deep — and will remain so for some time," he said.

"Yet our gravest danger is not in these external facts but within ourselves — the possibility that in complacent satisfaction with our present wealth, preoccupation with increasing our own military power, we may fail to recognize the realities around us and to deal with them with the vigor and tenacity their gravity requires."

Africans Continue Riots

LUSAKA, Northern Rhodesia (AP) — Small bands of Africans roved through the main street of Lusaka early today smashing windows and hurling gasoline bombs into stores.

The violence followed the action by British Gov. Sir Arthur Benson Thursday banning the Zambia African National party as a "subversive and seditious organization." Leaders of the party, which campaigns against white rule in Africa, were arrested.

Severe March Storm Tapers Off; 24 Killed

By The Associated Press

A severe mid-March snowstorm which hammered the Northeast, crippling normal activities and leaving a heavy death toll, tapered off today.

The late winter storm, worst of the season, dumped more than a foot of snow in sections of New England and New York state. Light snow fell during the early morning in the extreme Northeast as the intense storm moved out into the Atlantic.

At least 24 deaths were attributed to the storm, which earlier had lashed areas in the Midwest.

Most of the deaths were attributed to heart attacks suffered while traveling snow.

Huge cleanup jobs confronted the storm-battered sections. Strong winds which whipped the heavy snow covering into huge drifts slowed snow removal.

Falls ranged up to 22 inches in New Hampshire and Maine. The covering at Caribou, Maine, measured 34 inches, and was 26 inches at Rumford, Maine.

New York state, which was hit by a covering up to 18 inches in some places, was lashed by strong winds during the night, especially in eastern areas. Travel in many sections was halted. Six deaths in New York were blamed on the storm.

Similar conditions were reported in many parts of New England, but most roads were open and plane flights were scheduled to resume.

The white covering averaged up to 10 to 12 inches in sections of Pennsylvania and New Jersey and up to 14 inches in western Maryland.

The storm deaths included two lobster fishermen lost in a small boat off Islesford, Maine. Other deaths were reported in Connecticut, Rhode Island, Vermont, Massachusetts, New Jersey and Ohio.

Meany Visits Sen. Johnson

Labor Chieftain Trying To Collect Political Debt

By VICTOR RIESEL

For 45 minutes one day recently, Mr. Labor himself, George Meany, tried to collect a political debt. He had dropped into the office of Mr. Senate Baines Johnson, a good friend who said he could pay that debt piled up during the Democratic labor coalition campaigns of last fall. But the report is that Senate Leader Johnson told the AFL-CIO chief that despite all reports

VICTOR RIESEL

this is not a "labor Congress." What Sen. Johnson reportedly said is that a counting of noses in Congress shows that in a showdown fight labor does not have a majority even though the Democrats have terrific strength. Labor matters are a little better in the Senate. But the unions will have to realize that the House of Representatives is not a home. Most of the new Democrats are from suburban and rural areas. And they are not especially eager to vote labor's way.

The report is that Sen. Johnson and House Leader Sam Rayburn do not believe that they can put over labor's program. They do not believe that all their prestige, their own horse-trading ability and the pro-labor bloc are enough for them to deliver.

sen's office to discuss the proposed anti-racketeering bills. Mr. Johnson had promised labor that there would be a section—now known as Title 6—in this year's bill, just as there was in the one which passed the Senate 88-1 in 1958.

This section has two items in it which are "musts" to labor. One would make it mandatory for a building and construction trades worker to join a union after seven days. The current law has it after 30 days.

The other clause would give the construction unions the right to sign up a contractor before he has hired any workers. Thus the workers would have to join that particular union which got its contract in first.

Mr. Johnson had promised to deliver this. So had his fellow Texan, Sam Rayburn. Mr. Meany told Mr. Johnson that labor wants Title 6 in the law. The AFL-CIO leader was polite and friendly but firm. That's what labor wants. It had been promised.

MEANY POINTED OUT that labor is backing the anti-racket bill—which for the first time would really give the government the right, though slight, to regulate some internal union affairs. For example, the bill would set the length of terms to be held by union officials.

The report is that Meany, talking practical politics, said that without the sweetening Title 6, it would be difficult to get labor to back the bill. And that the unions would fight it and it might be killed and there would be no law.

It was then that Mr. Johnson pointed out that labor does not have the power, even in the Democratic Congress, to stop the law with or without Title 6. And he thought that Title 6 would be pulled out.

When the noses are counted, we'll know lots more than whether or not we'll have a reform law.

3 Cars Damaged In Rt. 42 Mishap

DELAWARE — Three cars were considerably damaged in a Rt. 42 smashup eight miles north of here Thursday morning, state patrolmen reported today.

Vehicles were driven by: Cella V. Ankrom, 44, of Ashley, southbound; Emil J. Hoch, 64, of Cleveland, southbound; and Bryan R. Griffith, 53, of Delaware, northbound.

Officers said the Ankrom auto was stopped to pick up a passenger when the Hoch vehicle approached and struck it in the back end.

The impact sent the Hoch car left of center to smash into the Griffith vehicle.

Hoch was charged with failure to stop within assured clear distance. The mishap occurred at 8:10 a.m.

Van Gogh Work Will Be Shown at Columbus Gallery

COLUMBUS—Five paintings by Vincent van Gogh, never before seen in this country, will be among the 50 masterworks from the Stedelijk Museum, Amsterdam, which will be shown at the Columbus Gallery of Fine Arts from March 22 to April 20.

The Stedelijk (Municipal) Museum is the center of modern art in Holland, much as is New York's Museum of Modern Art. The cross section of its collection which is on tour consists of half of Dutch paintings and half of non-Dutch works owned by the museum. Only four American cities will have the privilege of offering the show — Boston, Milwaukee and Minneapolis, in addition to Columbus.

Most notable in the Dutch section of the exhibition are of course the canvases by van Gogh, one of the great painters of all times. Others in this group represent various contributors to Holland's experimental ventures, a group of them Piet Mondrian and Kees van Dongen. The French section offers characteristic work by such influential painters as Picasso, Matisse, Braque, Chagall and Bonnard.

A third section includes outstanding performances from Italy, Germany, Russia and elsewhere.

Also at the Columbus Gallery, from March 20 to April 30, will be a showing from the collection of Mr. and Mrs. Julius Fleischmann. These Cincinnati Art Patrons have devoted their attention to young painters of many countries, and own works which, in many instances point the way to the significant painting of the future.

During the last two weeks of March the Gallery will show the annual exhibition by the Central Ohio Camera Club.

The gallery is open, free to the public, daily and Sunday, from 12 to 5.

MOVIE DATE CHANGED

DELAWARE—Date of the showing of the Danish film "Ordet" on the Ohio Wesleyan University lecture-movie series will be Friday, March 20, rather than March 13 as was announced earlier.

ED MODZELEWSKI, Cleveland Brown fullback, will see action here Saturday night as a member of the Dante Lavelli All-Stars when that team tangles with the Harlem Globetrotters at the Coliseum. Modzelewski has just concluded his seventh season as a National Football League performer. A former All-American fullback at the University of Maryland, he first played for the Pittsburgh Steelers in the NFL. He is the top replacement for the Browns' Jimmy Brown. His brother, Dick, is a line star with the New York Giants. The All-Stars and Trotters will meet in the feature attraction Saturday. The Globetrotters' lineup will include Wilt Chamberlain. Clashing in the 7:30 p.m. opener will be the Texas Cowgirls and the Whirlpool team of Marion. Part of the proceeds will go to the Magnetic Springs Foundation.

U.S. Hockey Team Will Battle Czechs

PRAGUE (AP)—The United States and Czechoslovakia, both needing a victory to stay in the running for the world amateur hockey championship, face each other today after Finland and Sweden open the proceedings. The United States and the Czechs both have 2-1 records. Canada, which knocked off Sweden 5-0 Thursday, leads with 3-0. Russia, after beating the Czechs in running for the world amateur hockey championship, face each other today after Finland and Sweden open the proceedings.

Kentucky Opens Bid for NCAA Title, Seeking 5th Championship in Classic

Cincinnati To Duel TCU in First Game

By ORLO ROBERTSON
Associated Press Staff Writer

Kentucky's Wildcats, seeking an unprecedented fifth championship, open defense of their NCAA basketball title tonight as 16 of the nation's best major college teams begin play in four regional tournaments.

Although Kentucky got into this year's tournament because champion Mississippi State declined to represent the Southeastern Conference, there are those who say Adolph Rupp's crew is capable of going all the way. Mississippi refused to enter because its all-white team would have to play against Negroes.

Second in Final Poll

Kentucky is not a great team by comparison with some of Rupp's outfits. But it lost only two of its 25 games and was ranked second to Kansas State in the final Associated Press poll. The team is led by All-American Johnny Cox, only starter from last year's champions.

Kentucky plays Louisville, an at-large selection with a 17-10 record, in the first game of tonight's doubleheader at Evansville, Ind. Michigan State (18-3), champion of the Big Ten, meets Marquette (23-4) in the second.

Kentucky and Michigan State are favored to tangle Saturday night in the Mid-east regional.

Here's how the other three regional tournaments stack up:

East at Charlotte, N.C. — West Virginia (25-4) vs. St. Joseph's of Philadelphia (22-3) and Navy (17-5) vs. Boston University (19-6).

West Virginia, having overcome its jinx of losing in the preliminary round four straight years, and Navy, which eliminated well-regarded North Carolina, are favored.

Midwest at Lawrence, Kan. — Texas Christian (19-5) vs. Cincinnati (23-3) and De Paul (13-9) vs. Kansas State (24-1).

Far West at San Francisco De Anza College (20-6) meeting St. Mary's of California (18-5) and California (21-4) taking on Utah (21-5).

NIT Opens Action

The National Invitation Tournament opened in New York's Madison Square Garden Thursday night. Butler continued its rapid end-of-the-season pace, downing Fordham 94-80. St. John's of New York eliminated Villanova 75-67.

There will be no action in the NIT tonight. The first round will be completed Saturday afternoon with the Providence-Manhattan and Denver-New York University doubleheader. Top-seeded Bradley takes on Butler and St. John's meets St. Bonaventure Saturday night. St. Louis and Oklahoma City see action next Tuesday.

At Evansville, Ind., Southwest Missouri State and Evansville won the right to meet in the finals of the NCAA small college division tournament tonight. Southwest Missouri State defeated Los Angeles State 72-59 and Evansville downed North Carolina A&T 110-92 in Thursday night's semifinals.

Tennessee A&I State continued to dominate the NAIA tournament at Kansas City. Bidding for a record third straight championship, Tennessee A&I whipped Illinois Normal 121-74 in the quarter-finals Thursday night. In the other games, Southwest Texas State defeated Lenoir Rhyne 80-78; Fort Hays (Kan.) State upset West Virginia Wesleyan 98-83, and Pacific Lutheran downed Georgia Teachers 97-65.

Eliot Accepts Administrative Job at Illinois

CHAMPAIGN, ILL. (AP) — What prompted Ray Eliot to quit as University of Illinois football coach with 17 seasons behind him? "A guy has to quit sometime," he said today.

"The last few years, I took a look at myself and said 'How far do you go coaching and how do you end,'" explained Eliot, dean of Big Ten football coaches.

Eliot, 52, a bespectacled, bald man who switches from serious discussion to a quip in a flash, Thursday resigned as coach, effective after the 1959 season, to become assistant Illinois athletic director.

"I said to myself," continued Eliot, "if an administrative position comes up, I'll take it. It did, in the form of assistant to Athletic Director Doug Mills, and I took it."

Eliot's Illinois won two Big Ten titles, shared another, and had a 78-70-10 overall record since he succeeded the late Bob Zuppke as head coach in 1942.

"It sort of breaks your heart a little bit to leave the wonderful fellows I have met in the football world, particularly the coaches," said Eliot.

"Nevertheless, a guy has to quit sometime and I think I have done it without pressure. I wouldn't have liked the situation about coaches some schools get into."

Yankees' Mantle Shakes Off Injury

LAKELAND, Fla. (AP)—Mickey Mantle's sore shoulder may not be so serious after all. The New York Yankee's centerfielder went the route as the Yankees took 11 innings to beat the Baltimore Orioles Thursday at St. Petersburg, 10-9.

Mantle complained of pain in the shoulder Monday after throwing to first base. He was ordered to take it easy and rested two days. Some Yankee players said they thought he hurt the shoulder throwing knuckle balls.

GIANTS' STAR INJURED. Willie Mays, \$80,000 fielding star of the San Francisco Giants, has his left leg bandaged after a mishap that occurred as Mays slid home in an exhibition game with the Boston Red Sox. Mays' leg was slashed by the shin guard of Sox catcher Sammy White. A total of 37 stitches were required to close the long cut and Mays is expected to be out of action at least a week. Frank Bauman, Giants' team physician, does the bandaging. Standing by dejectedly is Bill Rigney, manager of the San Francisco club. (UPI Telephoto)

Out for Three Weeks Serious Leg Injury Idles Mays in Exhibition Game

PHOENIX, Ariz. (AP)—Willie Mays, sitting quietly at home with a painful bone-deep gash in his right leg, said today he may be out of the San Francisco lineup for "three or four weeks." The \$80,000 centerfielder split his leg sliding into home during an exhibition game with the Boston Red Sox Thursday at nearby Scottsdale. He said he ripped his leg against the shin guard of Sox catcher Sammy White. Few of the 2,993 fans who saw the 7-4 Boston victory realized Mays had been injured as he scored the sixth-inning run on a dash home from second base. Assisted by a couple of teammates, Mays ran quickly to the Giant dugout. He was rushed immediately to a hospital, where the stitches were taken by Dr. Walter Zusehke.

Named Top Coach

KANSAS CITY (AP) — The National Assn. of Intercollegiate Athletics today named Bob Davis, coach of the Georgetown (Ky.) College basketball team, as coach of the year.

The award was given to Davis at the annual NAIA Hall of Fame luncheon here.

The C. W. Smith Enterprises earned \$141,150 in purses during January (1959) on the strength of three victories by Hillsdale. The horse won the Santa Anita Maternity, San Carlos Handicap and the San Fernando Stakes.

Middies Play Tonight

Akron Cage Squad Registers 20th Win

COLUMBUS, Ohio (AP)—This will be a sad Friday the 13th for some of Ohio's most talented high school basketball players.

Four Class AA and seven Class A quintets are due for defeat tonight in semifinals of regional tournaments, leaving only eight in each division for Saturday's state tournament qualifiers.

Cleveland St. Joseph, unbeaten Akron Central and undefeated Racine won Thursday night to reach Saturday's playoff round.

Trails at Halftime

St. Joseph, behind 29-27 at the half, staged a last-half flurry to oust Ironton 65-53 in the Class AA regional at Berea. The victors tangle with Cleveland East Tech, defending state champ, in Saturday's finals. St. Joe has a 20-4 record. Ironton bowed out with 16-7.

Akron Central, ahead only 31-29 at the half, outscored new Philadelphia 18-10 in the third session then coasted to a 63-55 win in the Kent Class AA regional. That made it 20 in a row for the Rubber City team which tangles Saturday with Salem (23-1) for a state tournament berth.

In the only Class A action, Racine, down 35-32 going into the final quarter at Athens, rallied for a 45-43 conquest over Mayville of South Zanesville. It was the 26th in a row for Racine. Tonight, at Athens, New Boston (22-0) meets Lynnwood-Jacksontown and if New Boston is the victor, the pair of unbeaten quintets will go to it Saturday.

Unbeaten Teams Perform

Unbeaten teams perform tonight in three Class A regionals. Convoy-Union 26-0 goes against Edgerton 22-3 at Lima; Salem Local 25-0 meets Pickerington 23-1 at Troy; and New Boston battles Lynnwood-Jacksontown at Athens.

Most interest in Class AA tonight centers around the Middletown (19-4) vs Xenia (22-1) fray at Cincinnati, where the rebuilt Middies, seven-time state champions, make their big bid for a return to the state tournament wars.

Although East Tech and St. Joseph, Saturday's foes at Berea, are both from Cleveland, they have not met this year.

Winners of Saturday night's games will meet here Sunday morning to pick state tournament opponents for the March 20-21 title games at St. John's Arena.

Lane Showing Some Interest In Loes' Offer

TUCSON, Ariz. (AP)—Cleveland General Manager Frank Lane is ready to take up volatile Billy Loes on his offer to join the Indians.

Unfortunately, Lane cannot deal directly with Loes because Billy is firmly attached—in writing—anyway—to the Baltimore Orioles. So Frank is planning to talk the whole thing over with Baltimore General Manager Lee MacPhail.

Loes, who might starve if he had a nickel for every impulse he kept to himself, said Monday he'd like to slip out of the Baltimore scene and join the San Francisco Giants. But, by Wednesday, he had a new ambition. He'd like to go to the Indians, he said, "because they got class over there."

"I saw Billy's ad in the paper," Lane said Thursday. "and I'd be tickled to have him. I know Billy and he's a fine pitcher and a fine young man. I'm sure he'd be happy with us."

Loes, in volunteering to change uniforms, suggested that Jim Piersall, the outfielder Cleveland acquired from Boston during the winter, "might go well in Baltimore."

Jim Piersall Objects
Piersall, no master of restraint himself, was ready to take a little walk across the ceiling when he read this.

"You can tell Loes we got only one couch left over here," Piersall said. "And tell him if he's going to trade anybody not to mention any names. I don't wanna play for Baltimore."

But Lane said Piersall's got nothing to worry about. "I'm going to renew my efforts with MacPhail to get Billy," Frank said. "However, I might add Piersall is not available."

The Indians tried to deal for Loes earlier this year, but talks stalled when Baltimore asked for shortstop Woody Held.

Offered \$300,000

Robinson, Moore Bout Sought for September

NEW YORK (AP) — Sugar Ray Robinson today pondered over an offer of a guaranteed million dollar gate for what may be his last fight—a battle of champions with Archie Moore in Yankee Stadium in September.

The bid was made by promoter Bill Rosenzohn in a conference with Robinson Thursday. He said he plans to follow it up with a talk with Moore, the 42-year-old light heavyweight champion.

Rosenzohn, who has the Floyd Patterson - Ingemar Johansson heavyweight title fight set for Yankee Stadium in June, is aiming to sew up boxing's two greatest attractions for the big city.

The big bid means that Rosenzohn is offering at least \$600,000 for Robinson, the 38-year-old mid-

dweight champion, and Moore to divvy up. Rosenzohn said he had offered them 60 per cent of the million dollar gate plus the same percentage of the television and other receipts.

How would the 60 per cent be split?

"Down the middle of course," said Robinson, "30-30."

Moore has said that if he fights Robinson he would want "the champion's cut — 40 per cent. After all my title would be at stake, not his."

"That's the best offer we've gotten to date," said Sugar Ray. "This probably will be my last fight and I want to get as big a purse as I can. Archie also is in the twilight of his career and he wants a big one too for his next fight."

Tribe To Stay At Tucson for 1960 Training

TUCSON, Ariz. (AP)—General Manager Frank Lane of the Cleveland Indians announced Thursday that the Tribe will return to Tucson in 1960 for the 14th consecutive years. He squelched a rumor that the Indians would move their training headquarters to Florida next spring.

Lane said the Indians draw better in Arizona than they would in Florida, pointing out that for the last five years "we have outdrawn every team in Florida except the Yankees."

Carroll Hardy, who is battling Jim Piersall for the center field job with the Indians, started in both games Thursday as the "B" team clobbered the Chicago Cubs "B" team 13-3 and the Tribe varsity downed the Cubs' "A" team 6-5 in 10 innings.

His 10th inning single brought in Jim Bolger with the run that gave the Indians their second game triumph.

Hardy got two of the Indians' 14 hits in the first game, including a three-run homer. Billy Hunter rapped three doubles and a single and Bolger made three hits—a double and two singles.

Newcombe Hit Hard in Stint Against Bucs

TAMPA, Fla. (AP)—Husky Don Newcombe, yearning for a pitching comeback, has yet to show his Cincinnati Redleg boss the form that helped him win 27 games in 1956.

But he's slowly rounding into shape. The 240-pound righthander toiled through the toughest workouts at spring training here. And he's cautiously optimistic.

His third exhibition stint Thursday was something less than brilliant. Pittsburgh's Pirates jumped on him for two runs on three hits in the first inning. And they threatened again in the second and third before Newk turned the job over to rookie standout Jim O'Toole.

But a 30 m.p.h. breeze blowing in from leftfield made it tough for any pitcher.

The dogged training session here are beginning to pay off for the big former Los Angeles Dodgers hurler.

But he's still not ready to cut loose with his curve.

"I throw my curve nearly as hard as my fast ball," he said. "And if I tried to snap it off now my elbow would probably go with it."

"Now I sort of roll the curve out of my hand."

Pettit Rewrites Record Books In NBA Chase

NEW YORK (AP) — Bob Pettit is the National Basketball Assn. scoring champion this season—and an author of sorts, too. He almost singlehandedly rewrote the NBA record book, final statistics revealed today.

The St. Louis Hawks star set six major records, breaking only one of his own. In addition, Bill Sharman, Bob Cousy and Bill Russell.

sell of Boston, and Kenny Sears of New York, also set new records.

Pettit scored the most points (2,105); had the highest per game average (29.2); most field goals scored (719); most free throws attempted (879); most free throws made (667); and most 50-point games in a season (3).

Syracuse's George Yardley saw three of his records, set with Detroit, go by the boards — all to Pettit. Yardley had the old season high of 2,001 points which Pettit broke two weeks ago; the most free throws attempted (888); and made (655); while Pettit broke George Mikan's 28.4 season average, set in 1950-51.

Pettit's teammate, Clyde Lovellette, lost his mark of 679 field goals for a season, set with Cincinnati in 1957-58. Previously, Pettit and Mikan shared the 50-point games with two each.

Sears field goal percentage of .490 broke Larry Foust's mark of .487 while Sharman upped his foul shooting percentage mark to .929 from .905. Russell grabbed 1,612 rebounds to better his mark of 1,564 and had the highest average (23.0) to break his 22.7 mark.

No Substitute for Truth

"Gandhi demonstrated the power of the spirit over material things," declared the narrator in a film on the University of Michigan Educational Television Station's "Genius" series. "You could put his possessions into a shopping bag and he would still be the same man." But he lived and died for the truth and therein lay his genius. You might say that educational television has the same material weakness and spiritual strength as Gandhi had. But educational television people don't always know where their strength and weakness lie.

The most powerful educational TV shows I have seen here have been fairly simple declarations of truth—and all you need for that is a human being who knows what he's talking about and a camera.

FOR INSTANCE, one film on the university's "Understanding Our World" series is on the unpalatable subject of the behavior of our prisoners of war in Korea.

The record is bad—very bad—but no attempt is made to pretty it up. After all, the university doesn't have sponsors or advertisers or Nielsen ratings to worry about or to placate. It can present the truth unvarnished.

Frequently the lack of varnish is enforced by the absence of money to buy varnish or production and this, too, is an asset—even though it's hard to convince a producer that it is.

EVERY SO OFTEN the bare bones of truth begin to pall on the producers and directors of educational TV. Then trouble looms. They begin to pretty up the truth with production, with music, with singing, and lighting

and acting—and pretty soon it doesn't resemble truth or entertainment or anything else.

The most horrible example of this I know was the Bell Telephone Hour prettying up cosmic rays with cute dialog and cartoons and sound effects to the point where anyone seeing it never will understand cosmic rays at all.

Michigan television has not done anything that bad, but now and then production does rear its head. One of the "Genius" series was on Magellan—"My name-Magellan," cried the hero just like in "Dragnet"—which resembled an Abe Burrows parody on all documentaries.

A guy with a guitar sang much of the narration, including what Magellan's ships carried in the hold—"200 barrels of anchovies, 1,000 strings of onions, 800 pounds of raisins," sang the man.

SOMETIMES this ingenuity was striking.

The Gandhi program opened with a shot of Gandhi's few possessions—his spectacles and sandals and books. Over this picture was a simple moving account of Gandhi's assassination.

In the long run, words are educational TV's greatest assets—and they are inexpensive though precious.

While the rest of television is drowning in triviality, educational TV has another great asset which is in charge of it sometimes forget—and that is the sheer importance of its subject matter.

Here they have done massive 10-part studies of Russia and China. When the viewer has finished with these, he is left with a very real sense of achievement, far more lasting and rewarding than any amount of entertainment.

THERE'S NO LIMIT to what persevering young men can do with little but their own ingenuity. Besides television, Michigan has

MAGIC SPELL. James Garner as Bret Maverick finds he has completely succumbed to the charms of his provocative stagecoach companion, Connie Stevens, in Sunday's "Maverick" episode, "Two Tickets to Ten Strike." It will be seen at 7:30 p.m. over Station WTVN, Channel 6.

an educational radio station, was not only willing to talk but WUOM, which is now preparing a series on journalism.

I listened to one of these on Here again the power of words foreign correspondence and heard is striking. A man with a tape Eric Sevareid complain: recorder hit the road and found "There isn't much point in having virtually everyone in journalism very able men scattered all

over the world if the networks only use a minute or so a day on news programs. It's not enough to get the facts; space is needed to present them on the air and now the men don't have the opportunity."

It was quite a hard-bitten, honest roundup of expression from some of the most capable newsmen in the business.

Billy Graham Planning To Rest, Work on Book

MELBOURNE, Australia (AP)—Billy Graham announced today that attendance so far in his month-long Melbourne crusade has been about 526,000. Of these 19,388 came forward to make "decisions for Christ."

More than 100,000 are expected for the last Melbourne meeting Sunday.

Graham told a news conference this is the most moral big city he has ever visited.

The evangelist said he plans to spend a two-week vacation on Queensland's Gold Coast resting and writing a book.

"Today there is so much literature of despair," he said. "I want to write a book of hope. It has been burning inside me for a long time now."

Public To Air Views

WASHINGTON (AP)—The public may participate in considering the safety aspects of the atomic power plant being built for the City of Piqua, Ohio. Up to now, the Atomic Energy Commission says, such public participation was limited to privately owned reactors subject to AEC licensing. Under a new ruling, the public will have the same opportunity in regard to AEC-owned reactors not subject to licensing, such as the one at Piqua. Public hearings will be held for the expression of views.

Gun Running Charged

CLARKSBURG, W. Va. (AP)—A federal indictment, charging nine counts of gun-running, was returned Thursday against Stuart Sutor, 35, Haleah, Fla. Rifles and machine guns, stolen from a National Guard armory at Canton, Ohio, last October, were found aboard a plane that Sutor landed at nearby Morgantown the following month. Police said he was flying arms to Cuban rebels.

Bahama, Greaves Meet in TV Fight

NEW YORK (AP) — Yama Bahama of Bimini in the Bahamas must want to be middleweight champion last bad.

Otherwise, how do you figure this out? Asked how his life was in Bimini, Yama replied: "Real nice. Good pay as a fishing guide. Fine fishing. Climate never gets cold."

So where does Yama live now? In the Bronx, where the snow lies deep.

Bahama, fights Wilkie Greaves, the Canadian middleweight champion from Edmonton and Detroit, in a 10-round television (NBC, 10 p.m., EST) fight at Madison Square Garden tonight. Greaves is a 7-5 favorite.

Marion Area Auto Mishaps

One person was injured in one of seven accidents investigated Thursday and early today by Marion police.

Anthony Richard Kingery, 7, of 687 Wood St. suffered a bruised right knee when he was struck by an automobile at Uncapher Ave. and Buckeye St. at 3:30 p.m. Thursday.

He was taken to Marion General Hospital in a police cruiser for treatment. The boy was walking west across Uncapher Ave. and was struck by a southbound car driven by Paul E. Call, 36, of 834 Congress St., police said.

A car parked in front of her residence and owned by Irene D. Clark, of 568 Mount Vernon Ave. was struck by another car at 1:19 a.m. today. Driver of the other was Bennie L. Meddies, 21, of 130 W. Fairground St. He said his car skidded on the icy pavement.

Cars driven by Carl A. Sisson, 17, of 911 N. Main St. and Gene Allen Glenn, 27, of 625 Fair Park St. were involved in an accident at Catherine Ave. and W. Fairground St. at 11:55 a.m. Thursday.

A collision at Olney Ave. and Foster Lane at 9:29 a.m. Thursday involved cars driven by Charles E. Iams, 33, of 879 Henry St. and Charles D. Bolander, 60, of 851 Congress St.

Each of the other three accidents in the city caused less than \$100 total damage, police estimated.

Truck Leaves Road

A panel truck driven by a Prospect man was considerably damaged when it rolled over on its side in a ditch along Rt. 4 three miles south of Marion at 9:35 p.m. Thursday.

State patrolmen of the local post said the mishap was one of two which occurred in the county late Thursday on snow covered roads.

Officers said the northbound vehicle driven by Phillip F. Messenger, 26, was attempting to slow down for a left turn when it slid off the highway into the ditch.

A Columbus man was charged with driving left of center after a mishap on Rt. 98 two miles north of Waldo at 4:30 p.m.

Patrolmen identified him as Jack L. Mitchell, 37. They said his southbound auto veered out of control and struck a bank, being considerably damaged.

Mitchell sustained a bump on the head and a bruised side. He was to be treated later by his family physician.

Study of Film Gives Hoosier Trackmen 3rd

MADISON, Wis. (AP)—Motion pictures taken of the Big Ten indoor track meet here last week show that judges were wrong on finishers in three events.

As a result the final standings were revised and Indiana, which was reported as finishing fourth, moved up to third in place of Ohio State and Minnesota moved up to sixth to replace Michigan State which tumbled to seventh.

The films showed that Al Phillips of Indiana was fourth in the 60 yard dash. He was unplaced in the earlier report. Other changes in the 60 gave Delbert Coleman of Illinois fifth instead of fourth and Wilmer Fowler, Northwestern, announced as finishing fifth, was dropped from the first five.

In the 70 yard high hurdles, Dave Odegaard of Minnesota ended in fourth and Wisconsin's Bob Guerts took fifth. They had been listed as tied for fourth.

Fourth in the 440 yard run went to Mike Johnson of Indiana and a fifth place tie was awarded to Ivor Kauls of Minnesota and Ted Storer of Ohio State. Originally Storer was listed fifth and Kauls sixth.

Final corrected team standings: Michigan 71, Illinois 47, Indiana 274, Ohio State 254, Wisconsin 16, Minnesota 144, Michigan State 134, Purdue 104, Iowa 4, Northwestern 14.

Accident Blocks Traffic On 42 Near Cardington

Northbound traffic on Rt. 42 just north of Cardington was blocked for approximately half an hour Thursday morning after a trailer-tractor combination skidded out of control and the tractor came to rest in the highway.

Patrolmen said the mishap occurred at 10 a.m. when the southbound rig driven by Everett Faulkner, 26, of Lockland veered out of control while passing traffic.

The trailer careened into a ditch where it came to rest on its left side after breaking away from the tractor. Both sections of the rig were badly damaged.

RELIGIOUS TV LAGGING
NEW YORK (AP) — The overall quality of religious television programs is "at an all-time low," says Dr. S. Franklin Mack, head of the Broadcasting and Film Commission of the National Council of Churches. Other than "a few notable exceptions," he says, the programs lack variety, imagination or impact.

PRIESTLY PAUSE
AURIESVILLE, N. Y. (AP) — Seeking spiritual refreshment, 576 Roman Catholic priests participated in priests' retreats in 1958 at the Sacred Heart Retreat House for Priests here. They came from 55 U. S. dioceses and ranged from bishops to friars.

Brothers Joins in Kresge Case

Tax Board's Appointee Facing Tough Baptism

COLUMBUS, Ohio (AP)—A real baptism of fire may await the newest member of the State Board of Tax Appeals. He's probably going to have to help decide the largest sales tax assessment case in Ohio's history.

The new member is attorney Merrill D. Brothers of Columbus, the governor's choice to fill the chair left vacant when the term of Clyde C. Sherrick of Ashland expired last month.

The big tax case involves \$456,066-\$996,579 in sales taxes which the tax commissioner says the S. S. Kresge Co. owes Ohio, and a 15 per cent penalty for failure to pay that amount on time.

Although the Kresge Company appealed to the board a year ago, attorneys have needed a lot of time to file briefs in the complicated case — actually 36 small cases in one — and the board has only been pondering the matter a couple of months.

The other two members of the board, Hugh S. Jenkins of Columbus, and Edwin F. Sawicki of Cleveland, are wading through a mountain of data connected with the case.

The Kresge case is actually 36 in one because it involves 36 of the dime store chain's 83 Ohio stores.

Unable to locate adequate records of 1952-1955 sales subject to the state's three per cent sales tax, Tax Commissioner Stanley J. Bowers had his examiners check sales for a given period of time in 1956, the year the state decided to audit Kresge's books.

The examiners were to determine what percentage of individual store sales was above 41 cents and subject to the tax, and what per cent was less than 41 cents and not subject.

This percentage was then applied to sales totals for the 1952-1955 period, and Bowers claimed the 36 stores during that period should have purchased \$396,579 more in sales tax stamps (that is, paid that much more tax).

The company, which operates 631 American stores, contends that the audit period was not representative of its business for the 1952-1955 period covered by the assessment. It wants the appeals board to determine whether methods used by Bowers' examiners in arriving at the assessment were correct.

In the past, tax officials say, where a vendor does not maintain adequate tax records, the courts have allowed auditors to start with gross receipts then make such allowances as are deemed reasonable for non-taxable and exempt sales.

The original assessment was made July 25, 1956, and affirmed by Bowers Feb. 21, 1958 after several hearings. The company then appealed to the board.

Protests Dismissal

COLUMBUS, Ohio (AP)—Erwin C. Zepp, executive director of the Ohio Archaeological and Historical Society, says Mrs. Hazel S. Phillips did not carry out certain instructions while curator of the Glendower-Warren County Historical Society. He did not elaborate.

Mrs. Phillips says Zepp has demanded she resign by April 1 or be fired. The state took over the Warren County Society in 1946 and pays Mrs. Phillips' salary.

Vote Against Hawaii

WASHINGTON (AP) — Republicans William E. Hess and Gordon E. Scherer and Democrat James G. Polk were the only three Ohio representatives in the House to vote against Hawaii statehood Thursday. With the exception of GOP Rep. Frances P. Bolton, who was listed as absent or not voting, the other 11 Republicans and eight Democrats in the Ohio delegation all supported the statehood bill, which passed 323-89.
